## THE TRAVEL CLUB FOR HOTEL LOVERS

The Mr & Mrs Smith Hotel Awards are the culmination of a year spent scouring the globe for hotels that make our hearts beat that little bit faster; a celebration of the brand-newest boltholes and some ever-brilliant old favourites.

How do we keep our collection quite so award-worthy? Well, we personally visit every property before we add it to our books, drop in for regular spot-checks and dispatch trusted reviewers for undercover inspections. Then we make sure our members get the same above-and-beyond service: 24-hour booking, a best-price guarantee, a host of travel-club exclusives... In short, it's our mission to bring you the world's best hotels.

So, we'll get straight to it, shall we? The very best of the very best in all things hotel: 12 categories, a world's worth of stays, an expert panel of judges – and you.

Welcome to your year in travel...

Enjoy,

### OUR GLOBAL TASTEMAKERS

Every year, we call upon our favourite tastemakers – from bloggers to burlesque dancers; popstars to presenters – to help us select our hotel heroes. These trendsetters know their way around a boutique bedroom, bar and spa, having bed-hopped for Smith in the line of duty.
