The best baths from around the world. Photo

By **paradox** - 31.12.2018

The collection includes nine photographs.

There are two main types of tourism: recreation for the soul and rest for the body. Many try to combine the two, alternating beach days with intense excursions. The result is neither one thing nor the. The waves did not relish napisales, and local beauty examined only nodding.

We offer an original way of solving this problem – the bathing tourism. In a world of many supremely comfortable baths, lying in which guests are free to enjoy the surrounding reality. Nine of the most impressive in our collection.

1. The hotel Rangá in Iceland's thermal baths are installed outdoors. View of the volcanoes, and on special occasions – Northern lights attached.

2. A bubble bath in the Serengeti national Park (Tanzania) – the best way to relax at the sunset of a busy day.

3. At Song Saa Private Island, luxury hotel in Cambodia, all made from natural materials.
