ANNOUNCEMENT: BANGKOK TO SIHANOUKVILLE FLIGHT ROUTE

Song Saa Private Island is delighted to welcome a new access route to our calm shores.

From July 1st, Sihanoukville International Airport (KOS) will receive a four-time weekly flight from Bangkok Don Mueang International Airport (DMK). A short flight time of only one hour means a quick and easy access from one of Asia's most vibrant hubs to the sandy coast of Cambodia. [Air Asia](#) Join [JC International Airways](#) in flying this route, with the latter leaving from Suvarnabhumi International Airport (BKK).

Sihanoukville's Airport is a quick 20-minute private transfer to the Song Saa Jetty where a speed-boat, cool towel and cold beverage await to take you on a 45-minute journey. Arrival at Song Saa will be a world away from where the travels on this route began, swapping skyscrapers with Swaying palm tree's and sand under-foot.

Visit Air Asia's website for flight details and book your stay directly with us to experience a #TrueCambodian escape to [Song Saa Private Island](#).
